## Standard Application for membership - Part 2

Three types of membership are available in the Johnston Amateur Radio Society - Full, Family and Associate. Full and Family membership gives you all the privileges, fame and honor that goes along with being a true JARS member. Full and Family members have full user access to the 147.270 Auburn Repeater Corporation repeater and all its many functions including autopatch and voice mailbox. You receive the monthly newsletter, can vote and hold office and you may participate in all JARS sponsored functions. Full and Family members are encouraged to attend at least two meetings per calendar year. Associate members have full access to the 147.270 AK4H Auburn Repeater Corporation repeater and all its many functions but may not vote or hold office.

Associate membership is primarily for amateurs that live outside the normal JARS area but use the wide coverage 147.270 repeater. The Associate membership thus becomes a means of voluntary support for 147.270 AK4H repeater. Dues for Full membership are \$25.00 per year. Dues for Family membership are \$ 30.00 per year. Dues for Associate membership are \$15.00 per year.
